Starting on April 4th thru April 11th Wapakoneta High School students will be taking the AIR assessment. Wapakoneta High School will operate on a 2 hour delay schedule during this time. Students will take the AIR assessment starting at 7:50 each day. Once the assessments are complete we will begin our normal school day at 9:50. Each day's test will be devoted to different subjects. This will require some students to be present for the 7:50 start time of testing and other students to be present at 9:50. Each day will be different so it is important that students pay close attention to which day they are required to be present at 7:50 to start the test. Each day we will post the schedule in the building for students so they are aware of which day they will be testing.
