

## Seniors Notes

1. If you have not, get your family's **FAFSA** done over break. It is very **IMPORTANT** that this is finished prior to completing several scholarships, etc. Parents can use the 2015 taxes!

2. **Gettysburg College** has a STEM scholarship available for those attending. See Mrs. Epperly for details.

3. Information for "Aspiring Fashion Professionals," "Aspiring Animation Professionals," and "Aspiring Business Professionals" is available on the Guidance Office bulletin board.

4. **Stolly Succeed Scholarship** is available in the Guidance Office. You apply online; deadline is February 17, 2017.

5. A Midmark **Scholarship** is available for those majoring in several engineering fields. There is a three-year work obligation with this scholarship. Apply today; information is available in the Guidance Office.

6. If you are majoring in **the natural gas industry field or related energy field**, apply for the Ohio Oil and Gas Energy Education Foundation Scholarship. Information about this scholarship is available in the Guidance Office.

7. If you are planning to attend an **Ohio Career College**, check out the scholarship information sheet in the Guidance Office. This form requires lots of work for good payoffs for your future education. Visit [www.ohiocareercolleges.org](http://www.ohiocareercolleges.org) to learn more!

8. **Auglaize County Right to Life** is sponsoring an **oratorical contest**. You must submit an entry **by Friday, January 27, 2017**, for consideration. The event date to give your speech is Sunday, February 26, 2017. Information is in the Guidance Office. Come and learn more today!

9. Deadlines: be aware of them. Applying for future schooling, applying for scholarships, turning in papers, filing your taxes, they are a part of life. Take care to do a good job in meeting them.

10. Local scholarships will become more available around February 1, 2017. Stay tuned to Senior Announcements, Senior Updates and the School Announcements.
