## **8<sup>th</sup> Gr. Washington D.C. Chaperone Selection Process**

---

Chaperones are generally chosen from Wapakoneta City School District employees and their spouses. While on this trip, it is considered a travelling school and students are expected to behave as such. Classroom teachers, bus drivers, cafeteria workers, and aides are all trained and experienced in dealing with large numbers of students and discipline issues. The spouses of employees may be included as chaperones and are accountable to their district-employed husband or wife; this also assists with rooming assignments. Parents may indicate an interest in being a chaperone, but the selection of the chaperones remains at the discretion of the district.
